Keith & Clara,

Bambi Schulman at Barnhart Heery has made us aware of your generosity of supplying a copier for use on our project. WE are so appreciative of your support and would love to have the opportunity to thank you in person and show you first hand what we are doing. Barnhart has been a very special friend helping us bring this special project for our community to reality.

You may or may not know that we provide a Home away from Home for families of seriously ill children from our community. Over the last 28 years, we have provided food and lodging to over 12,000 families and countless other day services to countless other families who have had children at Rady Children's Hospital. Over the next 28 years, with our new facility to be opened next Spring, we will provide food and lodging to over 50,000 families and countless other day services. It is truly a Charity of Compassion, and all for our community.

Thank you again for your generosity. If it fits your schedule, I would like to invite you to our Topping Off Ceremony next Wednesday. I have attached an invitation. It is really exciting to see the new facility first hand. If it doesn't fit, there will be plenty of other opportunities to see the result of your generosity next Spring.

Bill
